KIM JOSEPH INOC

VIRTUAL ASSISTANT

PROFESSIONAL PROFILE

Organized and tech-savvy Virtual Assistant in training, with a background in IT, UI/UX design, and hands-on administrative and customer-facing work. Comfortable managing schedules, correspondence, data entry, and day-to-day digital tasks, with a strong eye for detail, structured workflows, and a proactive approach to problem-solving. Focused on helping busy professionals and small businesses stay organized, efficient, and online-ready.

WORK EXPERIENCE

Freelance — Website & Design Support (Independent Projects) 2025

- Planned and organized the structure, database, and interface layout for two independent platform projects, coordinating design and technical details end-to-end.
- Prepared visual assets and UI screens, translating requirements into clean, functional layouts.

Pico de Loro — Food & Beverage Associate 2024 – 2025

- Delivered prompt, friendly service in a fast-paced environment, handling guest requests and concerns professionally.
- Managed multiple tasks simultaneously under time pressure while maintaining accuracy and attention to detail.

Smartphone Technician (Apprentice) 2023 – 2024

- Assisted in diagnosing and repairing devices, following structured, detail-focused procedures.
- Communicated status updates and next steps clearly to clients.

EDUCATION

Bachelor of Science in Information Technology 2024 – Present

Batangas State University ARASOF – Nasugbu
